RED WING

To Operate: Hold can upright and spray infested surfaces only until wet.

Roaches, Ants, Waterbugs, Silverfish, Spiders, Crickets: Spray heavily into all cracks, around baseboards and other places where these insects hide. Also spray wet surfaces behind and beneath cabinets, refrigerators, sinks, stoves. Spray other localized areas infested with these pests. Repeat treatment as required.

Carpet Beetles: Make localized application to areas of the floor and baseboards. Spray directly into cracks and under carpets where insects may be found. Treat crevices, cracks or closets and infested areas of shelving. Repeat as necessary.

Brown Dog Ticks: Thoroughly spray in infested areas around baseboards, window and door frames, wall cracks, sleeping quarters of household pets and localized areas of floors and floor coverings. Applications should be repeated as infestations warrant and as re infestations

occur. Fresh bedding should be placed in animal quarters following treatment. Do not treat animals with this formulation.

Flies, Mosquitoes, Wasps, and Flying Moths outdoors: For outdoor use only as an aid in reducing annoyance from these insects. Spray outside surfaces of screen doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, in garages, and other places where these insects alight or congregate.

Fleas, Chiggers, Ants and Brown Dog Ticks Outdoors: For treatment of localized infestations of these insects in outdoor areas away from food or feed crops, spray infested areas thoroughly. For ants, thoroughly wet hills and runways. Repeat applications as infestations warrant and as reinfestations occur.

Odorless, stainless, kills even resistant roaches, ants and flies. Residual type

INSECT SPRAY PROFESSIONAL EXTERMINATOR'S FORMULA

WARNING!
 Keep out of reach of children. Keep children off treated areas until dry. Harmful if swallowed. Avoid contamination of food and foodstuffs. Avoid inhalation and skin contacts. Wash thoroughly after using. Do not use on household pets or humans. Never set container on stove, radiator, hot place where temperatures will exceed 120 degrees F. and may cause it to burst. Do not puncture or tear container. See Dr. Conklin's Manual. Do not spray near open flame. Do not smoke while using.

ACTIVE INGREDIENTS
 O, O dimethyl O-(2-isopropyl-5-methyl-4-pyridinyl) Phosphorothioate* 0.500%
 Pyrethrin 0.050%
 Technical Piperonyl Butoxide* 0.075%
 Pyrethrin 96.385%
INERT INGREDIENTS 3.000%
 Total Ingredients 100.000%
 *Chemicals known by the proprietary name DALLACON.
 *Equivalent to 0.050% DDT.
