IMPERIAL WAR AND MILITARY POLICY IN THE ANGLO-EGYPTIAN SUDAN. An Analysis of the Anglo-Egyptian War of 1884-5 and its Aftermath

On the 1st of May, 1861, the author of this paper, accompanied by his wife, and two sons, left New York for the South, and, after a residence of about three months in Richmond, Virginia, he returned to New York, where he has since resided.
