

Shake well before using.
 Remove the protective cap.
 Always hold the dispenser can up-
 right when spraying.
 Do not breathe the fine mist directly
 from the dispenser.

Hold the can upright and spray the
 animal from a distance of 8 to 12 inches.
 Start spraying at the tail, moving
 the dispenser rapidly and making sure
 the animal's entire body is covered,
 including the legs and underparts of
 the neck and body. As you spray, fluff
 the fur so the spray will penetrate to
 the skin. Spray ticks thoroughly as
 they are difficult to kill. Repeat treat-
 ment as needed.

Precautions:
 Do not swallow. Avoid pro-
 longed or repeated contact with skin.
 Wash thoroughly after using. Do
 not spray into the eyes and face or on
 the scrotum of dogs or cats.

KEEP THIS PRODUCT AWAY FROM
 CHILDREN. Do not use in
 presence of children.
