Doc Edmonds' ROACH POWDER

ANSWER to
ROACHES and WATERBUGS

Active Ingredients: Acid-Orthoboric 99%
Inert Ingredients: 01% 100%

MONEY BACK GUARANTEE IF NOT FULLY SATISFIED AFTER 90 DAYS TRIAL.

Packed and Distributed by
SPINDLE CITY CHEMICAL CO.
P. O. BOX 444, SUMTER, S. C.

DIRECTIONS

Apply Powder with a small brush in all floor and wall cracks, around plumbing fixtures, back of shelves, in cabinets, and all places where roaches and waterbugs are likely to hide and breed. The powder should be allowed to remain as applied for five days before sweeping up. Repeat application as needed. The contents of this package will treat an average 4 or 5 room house or equivalent space in basements and warehouses.

CAUTION: Use Only As Directed

Doc Edmonds' Roach Powder can be injurious when taken internally in excessive amount. Keep away from food, children and domestic animals. Do not store in medicine cabinet.

USDA Reg.. No. 451400001

DOC EDMOND'S ROACH POWDER
IS MADE TO USE IN BUSINESS
ESTABLISHMENTS, IN HOMES,
SUCH AS
KITCHENS, BATHROOMS,
CLOSETS, etc.
when used as directed

Follow directions and give bugs time to get the powder on their feet and body and thus carry it back to their inaccessible nests where it also destroys their young.
WILL NOT DAMAGE CLOTHING

Contents 8 ounces
Price 75c
