

BOOT WASH #10

DIRECTIONS FOR DILUTION

Stir 1 oz. BOOT WASH #10 into 1 gallon water—
800 ppm solution

NOTE: Have all surfaces cleaned and rinsed before using germicide.

BOOT WASH #10 must not come in contact with feeds.

DANGER: Undiluted BOOT WASH #10 may cause skin irritation or burns or damage to the eyes. Harmful if swallowed. Avoid contact with skin and eyes. DO NOT take internally. In case of contact, flush immediately with plenty of water. For eyes, flush immediately with plenty of water and get immediate medical attention. Avoid contamination of food.

BOOT WASH #10 should not be mixed with soap or anionic detergents, since such mixtures will impair the anti-bacterial effectiveness of BOOT WASH #10.
