Directions

It is a violation of Federal Law to use the product in a manner inconsistent with its labeling.

1. How do you prefer to use the product in a manner of consistency?
 2. How do you prefer to use the product in a manner of consistency?

(continued)

FOR WASHING AND SANITIZING BOOTS: Add 1oz Boot Wash #100 to 1 gallon water. Apply to boots generously, then let boots soak for 3-5 minutes, scrubbing with a brush. Rinse boots with clean water. Repeat the process. A low concentration of 1oz per gallon is also acceptable for general cleaning.

ending in the south of a new building.

Monarch Bio Wash #10 is a concentrated sanitizing agent and should be diluted before using. Monarch solutions should not be used with acids or other detergents as such mixture will impair the anti-bacterial effectiveness of Monarch Bio Wash #10.
