Iodophor Germicidal Detergent

Low-Foaming Iodine Based Sanitizer

ACTIVE INGREDIENT: Iodine* 1.6%
 INERT INGREDIENTS: 98.4%
 *From Butylpolypropoxypolyethoxy ethanol-iodine complex; Polyethoxypolypropoxypolyethoxy-ethanol iodine complex 100.00%

WARNING:

KEEP OUT OF REACH OF CHILDREN

Precautionary Statements. Hazards to Humans and Domestic Animals.

HARMFUL IF SWALLOWED.

DO NOT GET IN EYES, ON SKIN OR CLOTHING. CAUSES EYE AND SKIN IRRITATION. AVOID BREATHING SPRAY MIST. WEAR RUBBER GLOVES. CONSULT MATERIAL SAFETY DATA SHEET FOR ADDITIONAL INFORMATION. FOR INDUSTRIAL USE ONLY. Medical personnel familiar with this product are available 24 hours a day, 7 days a week.

Toll-free emergency number **1/800-228-5635**

STATEMENT OF PRACTICAL TREATMENT: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes: Call a physician. Remove and launder contaminated clothing before reuse. If swallowed, drink large quantities of water. Call a physician.

E.P.A. Reg. No. 4524-10 E.P.A. Reg. No. 4524-10 E.P.A. Reg. No. 4524-10 E.P.A. Reg. No. 4524-10
 E.P.A. Est. No. 4524-MN-1 E.P.A. Est. No. 4524-CA-2 E.P.A. Est. No. 4524-NY-1 E.P.A. Est. No. 4524-NC-1

DIRECTIONS:

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

APPLICATION: Recommended as a sanitizing rinse in beer bottling, soft-drink bottling, with bottling, food canning and other food processing industries.

PREPARATION: Remove gross soils by flushing with water, scraping or brushing. Wash all surfaces. Rinse thoroughly with potable water.

SANITIZING: (Stainless steel and glass surfaces used in pipelines, fillings, pumps, freezers, vats, silos, tanks and closed systems). Apply Iodophor Germicidal Detergent to previously cleaned surfaces with a cloth, mop, mechanical sprayer or by dipping with a solution of 2 oz. to 10 gallons. Provides 25 ppm (available iodine). Surface must be thoroughly wetted and allow at least a 2 minute contact time. Drain and allow to dry.

Prepare a fresh sanitizing solution daily, or more often if the solution becomes diluted or soiled.

CLEANING: (Walls, floors, conveyors, and other similar surfaces). Clean daily with solution containing 2 oz. of Iodophor Germicidal Detergent per 10 gallons of water (provides 25 ppm (available iodine)). Clean weekly or at end of batch run with solution containing 4 oz. of Iodophor Germicidal Detergent per 10 gallons water, (provides 50 ppm (available iodine)) rinse.

FOR SANITIZING LINES AND TUBS USED IN DEBORIZED WATER SYSTEMS: (Stainless steel, fiberglass, polyvinyl chloride). Introduce Iodophor Germicidal Detergent to the system at a rate of 2 oz. per 10 gallons of water and in a manner that simulates normal processing conditions. Bypass any non-compatible equipment such as resin, carbon beds or membrane filtration unit. Expose all areas of the system to Iodophor Germicidal Detergent. Circulate Iodophor Germicidal Detergent through the system for 30 minutes. Static dead legs should be opened to the sanitizing flow of Iodophor Germicidal Detergent. Sanitize the dead leg systems once every two weeks. Sanitize recirculating loop systems weekly.

STORAGE AND DISPOSAL:

PHYSICAL OR CHEMICAL HAZARDS: Because of high vapor pressure, iodophors should be used at temperatures not exceeding 120 F. Do not add to alkaline, chlorinated sanitizers as they will react and generate hazardous gases.

PROHIBITIONS: Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

STORAGE: Store container upright in a cool, dry area away from direct sunlight. Store product in original container only and away from other pesticides, fertilizers, food and feed. In case of spill, flood area with large quantities of water.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.
