RE: Notification per PR Notice 98-10: Deletion of Phrase "Available Chlorine 3.7%"
Product name: Sodium Hypochlorite Sanitizer and Cleaner -EPA Reg. # 4564-13
Company: Rhodia, Inc.

Dear Mr. Brennis:

On behalf of Rhodia, Inc., I am submitting a notification per PR Notice 98-10 for the product "Sodium Hypochlorite Sanitizer and Cleaner." Previously, Rhodia included the phrase "Available Chlorine 3.7% (nominal)" on the label. In EPA's stamped label dated Sep 25, 2003, EPA required the word "nominal" be deleted from the label. As providing the available chlorine content is not a requirement for this active ingredient, Rhodia would prefer to delete the entire phrase.

The following documents are enclosed in support of this Notification.

- Application for Registration of Pesticide form
- 1 copy of label (plus one copy of label with change highlighted)

If you have any questions regarding this submission, please call me at (301) 652-5495.

Sincerely,

A handwritten signature in black ink that reads "Donna Leventhal".
