

MAR 14 1996

Mr. Christopher Davis
Elf Atochem North America, Inc.
2000 Market Street, 21st Floor
Philadelphia, PA 19103

Dear Mr. Davis:

Subject: Ziram Technical
EPA Registration No. 4581-261
Application Dated February 13, 1996, Request To
List Grapes and Tomatoes as Use Sites on Product
Label

The proposed labeling submitted to add grapes and tomatoes as use sites that may be claimed on formulated end-use pesticide products derived from the subject pesticide product has been reviewed and found acceptable under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA) as amended provided that you:

- o Continue to support these use-sites in accordance with Agency's Data Call-Ins for pesticide product, as related to a Reregistration Eligibility Decision (RED) for the active ingredient ziram, required under Section 4 of FIFRA.

If this condition is not complied with, the registration will be subject to cancellation in accordance with FIFRA Section 6(e). Your release for shipment of the product constitutes acceptance of this condition.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

B. Wilson Diskette ABC28:03-07-96
