Dear Ms. Clemmer:

Subject: Labeling Amendment to add Pecans
PENNCAP-M Microencapsulated Insecticide
EPA Reg. No. 4581-292
Your application dated 11 August 1995

The amendment referred to above, submitted in connection with registration under FIFRA sec. 3(c)(7)(A), is acceptable provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Submit five (5) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions. Also, please note that the Agency has concerns regarding risks to threatened and endangered species as well as concerns regarding exposure and risks to nontarget terrestrial animals; however, these concerns will be deferred until and should be addressed at the time of reregistration for the subject product.

A stamped copy of your labeling is enclosed for your records.

Sincerely,

Dennis H. Edwards, Jr.
