

US ENVIRONMENTAL PROTECTION AGENCY OFFICE OF PESTICIDES PROGRAMS REGISTRATION DIVISION (75-767) WASHINGTON, DC 20460	EPA REGISTRATION NO. 4582-67	DATE OF ISSUANCE <b>27 AUG 1986</b>
	TERM OF ISSUANCE	
	NAME OF PESTICIDE PRODUCT Pringle Boilerplate Kenco (List, date)	

**NOTICE OF PESTICIDE:**  REGISTRATION  REREGISTRATION  
 (Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Pringle Boilerplate Company  
 300 Park Avenue  
 New York, NY 10022

**NOTE:** Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This registration is conditionally tentative in accordance with section 3(c)(7)(C) provided that you:

1. submit data and data required for the registration/reregistration of your product under section 3(c)(1) and the Agency requires data on products of similar products to submit such data.
  2. add the phrase "EPA Registration No. 4582-67" to your label before you release the product for shipment.
  3. submit 1500 copies of your final printed labeling before you release the product for shipment. Labeling shall include a complete description of final printed labeling.
- If these conditions are not complied with, the registration will be subject to cancellation in accordance with this section 3(c). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

INERT INGREDIENTS: . . . 99.13%

### AJAX - FOR HEAVY DUTY CLEANING! DIRECTIONS FOR HOUSEHOLD USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**FAST STAIN CLEANSER** - AJAX has a patented bleach formula - nothing bleaches out tough food stains faster!

Use AJAX to clean all around the house, on items like pots and pans, porcelain, bathroom fixtures, ceramic tiles, and even tough outdoor items like whitewall tires and garbage cans!  
**EXTRA TOUGH STAINS** - Wet surface. Sprinkle AJAX freely. Rub lightly to make a paste with sponge or pad. Scour and rinse.

**DISINFECTS AS IT CLEANS** - AJAX kills household germs on contact and removes odors. Use AJAX to disinfect and deodorize hard surfaces in your kitchen and bathroom (sinks, appliances, tubs, toilets). Allow about 1 1/2 minutes contact time. For heavy soil a pre-cleaning step is necessary.

**EASIER ON ALUMINUM** - Easier than the other leading cleanser on aluminum pots and pans.  
**SPECIAL GREASE CUTTERS** - A special SCS grease cutting system breaks up and dissolves away grease fast.

**REMOVES MOLD AND MILDEW STAINS** - Removes mold and mildew stains in the shower and tub. Repeat as needed to keep these areas clean.

**HELP KEEP DRAINS CLEAN** - To help keep drains clean, turn on hot water, sprinkle a few tablespoons of Ajax into drain, and flush through.

#### PRECAUTIONARY STATEMENTS

**NOTE** - Not recommended for use on silver. Use care when cleaning plastic surfaces to avoid scratching.

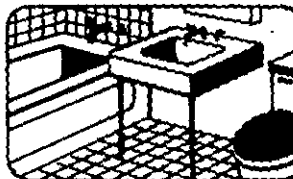

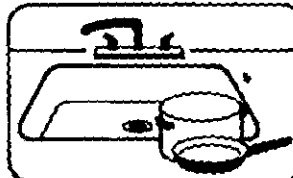

**CAUTION:** Causes eye and skin irritation. Avoid contact with eyes and skin. Wash thoroughly after handling.

#### STATEMENT OF PRACTICAL TREATMENT

**IF IN EYES:** Flush with plenty of water. Get attention if irritation persists.

**IF ON THE SKIN:** Wash with plenty of soap and water. Get medical attention if irritation persists.  
**DISPOSAL:** Do not use empty container. Discard in trash.

WHITE TO BLUE  
TO SHOW ITS POWER  
BEING RELEASED.

**PHOSPHORUS CONTENT:** This AJAX CLEANSER formula averages 0.1% phosphorus, in the form of phosphates, which is equivalent to 0.06 grams per 10 gram use level.

**WARNING:** Contains chlorine bleach. DO NOT mix with ammonia.
