Anna Rodriguez-Koster
Agent for Colgate-Palmolive Company
c/o Lewis & Harrison
122 C Street, N.W. Suite 505
Washington, DC 20001

Subject: Label Notification per PRN 98-10– Add Optional Non-Pesticidal Marketing Graphics and Language to the Product's Master Label.
Product Name: Ultra Palmolive Antibacterial Dish Liquid
EPA Registration Number: 4582-72
Application Date: April 3, 2019
Decision Number: 549995

Dear Ms. Koster:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped "Notification" and will be placed in our records.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

If you have any questions, you may contact Srinivas Gowda by phone at 703-308-6354, or via email at gowda.srinivas@epa.gov.

Sincerely,

A handwritten signature in black ink that reads "Srinivas Gowda for".

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For general dishwashing: Use as you would any dishwashing detergent. To kill 99.9% of Bacteria* on Dishware: Remove excess food by scraping or wiping. For heavily soiled or greasy surfaces, a pre-wash is necessary. Dilute 1 part product to 20 parts water. Allow dishes to sit in solution for 30 seconds, then wash and rinse thoroughly as you normally would. Make-up a fresh solution when wash water is soiled.

To Clean Kitchen Surfaces: Dilute as needed and then apply to sinks, countertops, stovetops and related surfaces. Wipe with wet cloth as you normally would.

*Staphylococcus aureus or Staph aureus, Salmonella enterica, and Escherichia coli 0157:H7 or E. coli 0157:H7.

PRECAUTIONARY STATEMENTS:

CAUTION: Causes eye irritation. Avoid contact with eyes. Rinse hands thoroughly.

FIRST AID: IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center for treatment advice.

STORAGE: Store in a cool place out of reach of children.

DISPOSAL: Refillable container. Refill only with this product. Do not use this container for any other purpose. Offer for recycling, if available.

For Residential Use Only. Do not use in Automatic Dishwashers.
