USDA Reg. No. 4583-1

For Use In Barber and Beauty Shops

Manufactured by

W. & M. PRODUCTS CO., INC.

79 Clinton Avenue, Jersey City, N. J. 07304

Contents 16 ozs.

DIRECTIONS

For Disinfection: To one quart of water add 2 tablespoons of Lester's STERLY-CIDE or for larger quantity, use 4 ounces (1/2 cup) to one gallon of water.

Immerse cleaned brushes, combs, razors, clipper heads, scissors, Manicure implements, etc., for 5 or 10 minutes (or as required by local health authorities). Dry Steel instruments with Sterile gauze or cotton. Change solution at least twice each week. As a corrosion inhibitor use 1 tablespoon of Sodium Nitrite to 1 Gal. of solution.

The contents of this bottle will make 4 gallons of approved disinfectant solution.

Important — Do not add soap or synthetic detergents to LESTER'S STERLY-CIDE.
