

SHAKE WELL BEFORE USE

Powerful new surface formula disinfects and deodorizes. Aids in control of Mycobacterium tuberculosis var. bovis (BCG), Salmonella choleraesuis, Staphylococcus aureus, Trichophyton mentagrophytes, and other Pathogenic fungi responsible for Ring Worm and Athletes Foot.

Gets rid of odors caused by bacteria. Adapted especially for use on surfaces such as: Air Ducts, Door Handles, Telephones, Wheel Chairs, Linen Hampers, Athletic Shoes, Blood Pressure Sets, Toilet Seats, Urinals, Clean Up Carts, Bed Springs, Athletic Equipment.

DIRECTIONS

TO USE AS A SURFACE DISINFECTANT

Hold dispenser upright 6" to 8" from surface; spray surface 5 to 6 seconds until thoroughly wet. To deodorize, clean away cause of odor as much as possible; spray surface until thoroughly wet. Repeat as needed.

TO USE AS A SPACE DEODORANT

Hold dispenser upright, pointing valve away from face. Spray into air 3 to 5 seconds toward center of room.
