CAUTION: KEEP OUT OF REACH OF CHILDREN. FLAMMABLE. CONTENTS UNDER PRESSURE. SEE OTHER CAUTIONS ON BACK PANEL.

NET WEIGHT 11.5 OZ. AVDP.

SPRAY IN UPRIGHT POSITION - CAUTION: FLAMMABLE MIXTURE
Do not spray near open flame. Do not smoke while using.

CRAWLING INSECT KILLER

1. Kills quickly on contact.
2. Leaves an invisible film that keeps on killing for weeks.
3. Penetrating spray kills bugs in walls and cracks where they hide and breed.
4. Kills even resistant roaches, ants, and flies.

DIRECTIONS: TO OPERATE Hold can upright, point valve opening away from person, and spray infested surfaces only until wet. Hold can about 12" from surface being sprayed. FOR SPOT APPLICATION ONLY.

TO KILL	SPRAY SURFACES UNTIL WET REPEAT AS NECESSARY
ROACHES ANTS SCORPIONS WATERBUGS SILVERFISH SPIDERS CRICKETS CARPET BEETLES	Spray heavily into all infested areas, cracks, around baseboards, under carpets, behind and under cabinets, refrigerators, sinks, etc. Spray thoroughly infested areas of carpets and rugs. Thoroughly wet ant hills and runways. Spray areas around door sill and window frames where pests enter. Repeat as necessary to maintain effective control.

Will indoors
Will outdoors

FLIES MOSQUITOES WASPS FLYING MOTHS	FOR OUTDOOR SURFACE USE ONLY. Spray outside surfaces of screen doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, in garages, and other places where these insects alight or congregate. Do not spray vegetation. For space spray indoors, use FLYING INSECT KILLER.
--	---

FLEAS CHIGGERS BROWN DOG TICKS	IN OUTDOOR AREAS. For treatment of localized infestations of these insects where there is no vegetation, spray infested areas thoroughly. For Brown Dog Ticks IN INDOOR AREAS spray sleeping quarters of household pets, cracks, crevices as well as localized areas of floors and floor coverings. Fresh bedding should be placed in animal quarters following treatment. Do not treat animals. Repeat application as reinfestation occurs.
---	--

CAUTION FLAMMABLE. Do not use as a space spray. **HARMFUL IF SWALLOWED,** inhaled or absorbed through skin. If swallowed, get medical attention. Wash thoroughly after using. Do not use on household pets or humans. Do not spray food, water, dishes, or utensils. Do not allow children or pets to contact treated surfaces until dry. Avoid breathing of spray mist and avoid contact with skin. Remove pets, bird cages and fish bowls from room being sprayed. Do not spray more than 1½ minutes in an average room. Do not spray heavily on linoleum, asphalt tile and siding plastics. Do not spray near open flame. Do not smoke while using. Contents under pressure. Never set container on stoves, radiators, in direct sunlight, nor place where temperature will exceed 120 degrees F and may cause it to burst. Do not puncture or throw container into fire. Spray only as directed. **KEEP OUT OF REACH OF CHILDREN.**

ACTIVE INGREDIENTS	
Pyrethrins.....	052%
n-Octyl sulfoxide of isosafrole.....	230%
Related compounds.....	031%
O,O-diethyl-O-(2-isopropyl-6-methyl-4-pyrimidinyl) phosphorothioate.....	500%
Petroleum distillate.....	85.187%
INERT INGREDIENTS.....	14.000%
