panel.

Net Wt. 18.25 oz. (1 lb., 2.25 oz.)

11/30/71

4584-65 4584-65

A chemically pure, scientifically formulated room deodorant. Aids in the reduction of airborne bacteria, and in removing unpleasant bathroom odors, smoking odors, kitchen odors, pet odors. Deodorizes gym shoes, bowling shoes and other athletic equipment.

DIRECTIONS:

Remove protective cap. Hold dispenser upright, pointing valve away from face. By spraying room so that a light fog forms, this formula will reduce the number of airborne bacteria and virus particles. This will aid in providing a temporary sanitization of the air. Gym shoes and other athletic equipment should be sprayed individually for effective deodorizing. Repeated applications should be made periodically according to prevailing conditions.

ACTIVE INGREDIENTS:

| | |
|--------------------|--------|
| Triethylene Glycol | 4.00% |
| Propylene Glycol | 1.00% |
| Dipropylene Glycol | 1.00% |
| Alcohol | 23.65% |

INERT INGREDIENTS:

70.35%

CAUTION: Contents under pressure. Never set container on stoves, radiators, in direct sunlight, nor place where temperature will exceed 120 degrees F, which may cause it to burst. Do not puncture or throw container into fire. Do not spray on food or varnished or painted surfaces. Spray only as directed. **KEEP OUT OF REACH OF CHILDREN.** Harmful if swallowed.
