NET WT 1 LB (16 OZ) 400 Gr

Room Deodorant

A chemically pure, scientifically formulated room deodorant. Aids in the reduction of airborne bacteria and in removing unpleasant bathroom odors, smoking odors, kitchen odors, pet odors. Deodorizes gym shoes, bowling shoes and other athletic equipment.

Directions: Remove protective cap. Hold dispenser upright pointing away from face. By spraying contents, that is, propellants, the formula will reach the center of airborne bacteria and virus particles. This will aid in providing a temporary sanitization of the air, gym shoes and other athletic equipment. Should be sprayed individually for effect on deodorizing. Repeated applications should be made periodically to keep the air provided clean.

ACTIVE INGREDIENTS

Trichloroethylene	40.00
Propylene Glycol	1.00
Dipropylene Glycol	1.00
Ethyl Alcohol	53.00

INERT INGREDIENTS

40.00

Contents under pressure. Never set container on fire. Do not use in the vicinity of open flame where temperature will exceed 120°F. When the valve is closed, the gas will not expand. If the valve is opened, the gas will spray out. Do not spray on unprotected surfaces. Spray only as directed. **KEEP OUT OF REACH OF CHILDREN.** Harmful if swallowed. Avoid contact with eyes. Do not get the spray in eyes. Avoid contamination of feed or foodstuffs.
