hospital strength

SHAKE WELL BEFORE USING

Use this white, foamy germicidal cleaner in hospitals, nursing homes, schools, office buildings, motels, hotels, factories, restaurants and other food service or food processing facilities. Excellent for household use also.

This new surface cleaner and deodorizer kills *Staphylococcus aureus*, *Salmonella choleraesuis* and *Pseudomonas aeruginosa*.

Easy to use. Spray on surfaces and wipe off; no soap scum. For hard to clean surfaces, allow foam to penetrate before wiping. Contains no abrasives and is therefore recommended for cleaning bathtubs, shower stalls, basins, bowls and other tile surfaces. Also effective for cleaning bath and kitchen fixtures, table and counter tops, tile surfaces, grouting, vinyl surfaces, enameled surfaces, leather, wood, formica and metal surfaces.

DIRECTIONS: Shake container well before using. Hold 6 to 8 inches from surface to be cleaned. Spray area, covering it with white foam. Wipe off with clean cloth or sponge. For hard to clean surfaces, allow foam to penetrate before wiping off.

Requires no rinsing except when used in areas where it may contact food, then food products and packing materials must be removed or carefully protected. Treated food contact surfaces must be thoroughly rinsed with potable water.

ACTIVE INGREDIENTS.

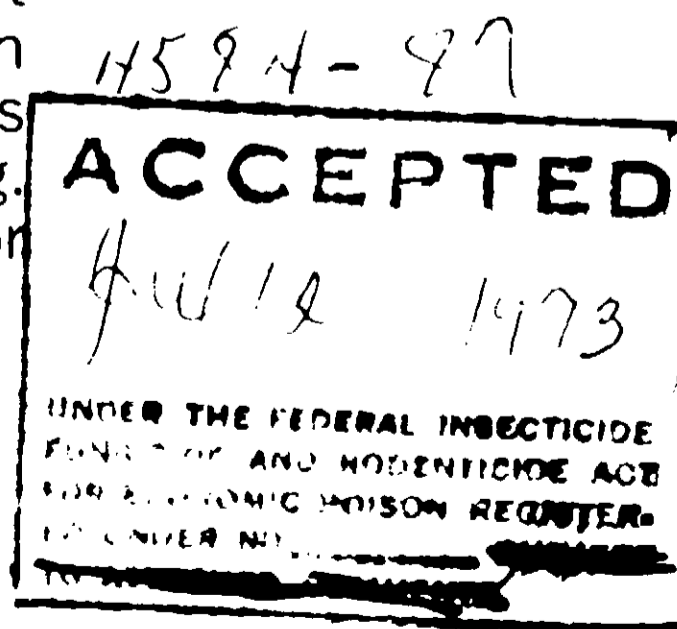

n-Alkyl (60% C14, 30% C16, 5% C12, 5% C18) dimethyl benzyl ammonium chlorides.....	0.1%
n-Alkyl (68% C12, 32% C14) dimethyl ethylbenzyl ammonium chlorides.....	0.1%
Sodium metasilicate.....	0.25%
Tetrasodium ethylenediamine tetraacetate.....	1.6%
Essential Oils.....	0.2%
INERT INGREDIENTS.....	97.75%
	100.00%

WARNING: Contents under pressure. Never set container on stoves, radiators, in direct sunlight, nor place where temperature will exceed 120 degrees Fahrenheit, which may cause it to burst. Do not puncture or throw container into fire. Avoid getting concentrate in eyes. In case of contact, flush eyes with water—if irritation persists, consult physician. KEEP OUT OF REACH OF CHILDREN.

WARNING: Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130° F. may cause bursting. Never throw container into fire or incinerator.

WARNING: KEEP OUT OF REACH OF CHILDREN. See side panel for further precautions.
