Cross-infection is of major housekeeping concern not only in hospitals, but in schools, institutions and industry. LYNDE VANGUARD is formulated for problem areas. It both cleans and sanitizes rapidly and is unexcelled when used as directed for surface disinfection and cross-infection.

LYNDE VANGUARD is an extremely effective one-step sanitizer. It cleans and sanitizes in hard water up to 800 ppm hardness. This hard water tolerance is in excess of most potable waters and will assure complete sanitizing action when used as directed.

Two ounces of LYNDE VANGUARD per gallon of water will deodorize bathrooms, garbage storage areas, and other areas where bacterial growth can cause malodors.

WARNING

Keep out of reach of children. May cause severe eye irritation or eye damage. Causes skin irritation. Do not get in eyes, on skin, or on clothing. Harmful if swallowed. Avoid contamination of food.

FIRST AID:

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink promptly a large quantity of water. Avoid alcohol. Call a physician immediately.

Lynde Vanguard

Quaternary Disinfectant Cleaner with Bactericidal Sanitizing Properties

AOAC Phenol Coefficients

Staphylococcus aureus ATCC No. 6538	7.0
Salmonella typhosa ATCC No. 6539	7.0
