**APEX®**

**Perfumed CEDAR-PINE  
CLOSET FRESHENER**

**Kills Moths • Deodorizes • Helps Prevent Mildew Damage**

**HOW TO USE:** Remove cellophane and hang CEDAR-PINE high in area where protection is desired. Thoroughly brush articles before storing. Use at the rate of one CEDAR-PINE to every 80 cubic feet of tightly enclosed space. Keep closet tightly closed at all times and for at least 7 days after addition of this block. If closet is to be opened occasionally additional chemical should be added and the closet should remain closed for at least 7 days.

**AS A DEODORANT:** CEDAR-PINE will overcome many unpleasant odors with its fresh cedar fragrance.

**TO PREVENT MILDEW:** Use one CEDAR-PINE to every 65 cubic feet of tightly enclosed space.

**NOTE:** Do not place block in contact with plastic materials.
