Kills Clothes Moths — Deodorizes — Aids in Mildew Control

HOW TO USE: Remove cellophane and hang Block high in area desired.

TO KILL CLOTHES MOTHS: Thoroughly brush articles before storing. Use at the rate of one Block every 25 cubic feet of tightly enclosed space. Keep closet tightly closed at all times and for at least 7 days after addition of the chemical. If closet is to be opened occasionally, additional chemical should be added and the closet should remain closed for at least 7 days.

TO AID IN CONTROL OF MILDEW: Use 1 Deodorant Block to every 47 cubic feet of tightly enclosed space. Clothes should be cleaned prior to treatment. Closet should be kept closed for at least 7 days after addition of product. Additional chemical should be added when closet is reopened.

Note: Do not place Block in contact with plastic materials.
