

**IMPORTANT TO AVOID DAMAGE OR POOR RESULTS,
CAREFULLY READ ALL DIRECTIONS AND PRECAUTIONARY
STATEMENTS**

SYSTEMIC ACTION

This product kills grasses & weeds systemically. The spray mist is absorbed by the leaves and moves throughout the stems and roots to kill the entire plant. Regrowth from the roots is prevented. This product is a non-selective post-emergent herbicide that kills undesirable vegetation including: Bahia grass, Bermuda grass, Bindweed, (Wild Morning glory), Bluegrass, Canada Thistle, Clover, Crabgrass, Dallis grass, Dandelion, Dock, Fescue, Johnsongrass, Knots, Lambsquarters, Ragweed, Orchard grass, Paspalum, Pigeon Pea, Quack grass, Ryegrass, Sandbar and others.

DIRECTION FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

HOW TO USE: To apply with pump-up, pressure gun, or plastic tank sprayers add one cup (8 oz.) of SYSTEMIC GRASS & WEED KILLER Concentrate (5%) to one gallon of clean water to cover 250 sq. ft., or add two pints (16 oz.) to two gallons of clean water to cover 500 sq. ft. For SPOT TREATMENTS, use the 24 oz. size of SYSTEMIC GRASS & WEED KILLER, or a tank sprayer.

NOTE: Using pressurized or painted steel tank sprayers is not recommended. However, if a pressurized or painted steel tank is used, the solution must be used immediately. **DO NOT STORE UNUSED SPRAY.** Always rinse sprayer after use.

DIRECTIONS FOR REFILLING THE 24 OZ. CONTAINER OF SYSTEMIC GRASS & WEED KILLER (WITH TRIGGER SPRAYER): The Ready-to-Use solution can be mixed in the empty trigger sprayer bottle. Add 8 tablespoons (1 1/2 oz.) of the concentrate to the container and flush filling bottle with clean water (16 oz.) (2 tablespoons = 1 fl. oz.).

HOSE END SPRAYERS: Hose-end sprayer applications are recommended for treating large areas only.

This product may be applied with any hose-end sprayer or that is designed to make 4-8 gallons of finished spray. When using the Super X-Gro Adjustable Jet & Garden Sprayer, turn the outside selector knob to the 4 gallon setting. Pour the desired amount of the concentrate into the sprayer or **DO NOT ADD WATER TO THE SPRAYER JAR.** Place the nozzle tip in the down position. Attach to a garden hose

and spray. Use 8 oz. of the concentrate to cover 250 sq. ft. or two pints (16 oz.) to cover 500 sq. ft.

NOTE: For best results when using this product, use on a warm, sunny day when rain is not expected within 24 hours. Avoid cutting treated vegetation for 7 days. Treated areas may be reseeded or replanted 14 days after application.

HARD TO KILL WEEDS: For some hard to control weeds and weeds, a second application may be required if not completely killed in 4 weeks.

IMPORTANT: AVOID SPRAY CONTACT ON DESIRABLE PLANTS SUCH AS LAWNS, TREES, BUSHES, AND FLOWERS AS THEY WILL ALSO BE KILLED. If contact does occur, wash off spray mist immediately with water.

OTHER: Should you have any questions concerning the use of this product, call 313-459-4200.

STORAGE & DISPOSAL

Protect from freezing. Store in original container, preferably in an area inaccessible to children. Do not contaminate foodstuffs or feed.

PRODUCT DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.

CONTAINER DISPOSAL: Do not reuse empty container. Rinse thoroughly before discarding in trash.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Harmful if swallowed, inhaled or absorbed through skin. Causes eye irritation. Avoid contact with skin, eyes or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Keep children and pets off treated areas until spray is thoroughly dry.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Immediately flush by swallowing water or milk. Call a physician. **IF ON SKIN:** Wash with plenty of soap and water. If irritation develops, get medical attention.

IF IN EYES: Flush eyes with fresh water for 15 minutes and get medical attention. **NOTE TO PHYSICIAN:** Emergency Information — call 1-800-545-1313.

ENVIRONMENTAL HAZARDS: Do not apply to water or wetlands. Do not contaminate water by cleaning of equipment or disposal of wastes.

NOTICE: Buyer assumes all responsibility for safety and use. Not to be used in accordance with the label.
