

MistaMatic Air Sanitizer

Sanitizes, deodorizes and refreshes the air. Reduces strep, staph and many other airborne bacteria, and many viruses. Also acts against offensive odors.

MistaMatic Air Sanitizer is specially formulated to reduce the number of germs and viruses through the air, while also eliminating odors. When inserted in the MistaMatic Automatic Aerosol Dispenser, it treats the air with the prescribed dosage continually, at precise intervals for 24-hour benefits.

The contents of this can, when used as directed, will provide effective benefits for an area of up to 6000 cubic ft. (approx. 30' x 20' x 10').

For use in homes, hospitals, clinics, doctor's offices, dentist's offices, nursing homes, show rooms, rest rooms, washrooms, schools, offices, hotels, motels, restaurants and retail stores.

DIRECTIONS: This container has been designed for use only with the MistaMatic Automatic Aerosol Dispenser. To insert, align notches, and with gentle upward pressure rotate $\frac{1}{4}$ turn to the right.

WARNING: Keep out of reach of children. Do not store where temperature may exceed 120° F. Do not puncture or incinerate can. Do not use in nurseries or rooms where infants, ill or aged persons are confined. Do not use in kitchens, dining areas or other areas where food is prepared or served. Do not use close to varnished surfaces.
