1 FL GALLON

NOV 28 1975

Under the Federal Insecticide,
Fungicide, and Rodenticide Act,
as amended, for the pesticide
registered under
EPA Reg. No. 4677-105

Code 304-221

Derma-Sect (Insecticidal Shampoo) lathers freely in hard water, leaves no ring around the tub. It aids in desnarling matted hair, kills fleas and lice; and cleans, deodorizes, and softens the coat, improving luster and sheen. Useful as a routine grooming aid.

Directions for Use: May be used as a detergent for bathing or may be sponged on the dog.

1. Apply warm water to the dog's coat with a sponge or in a bathtub.
2. Rub the shampoo into a thick lather over the entire coat.
3. Allow the shampoo to remain 5 minutes to kill fleas and lice.
4. Rinse thoroughly with warm water.
5. Do not use more often than once weekly.
