Washington, D.C. 20460

**NOTICE OF PESTICIDE
Reregistration**

(under FIFRA, as amended)

EPA Reg. Number:
4691-129

Date of Issuance:
JUL 11 2000

Term of Issuance:
Unconditional Registration

Name of Pesticide Product:
**75% Rabon® Insecticide Wettable
Powder**

Name and Address of Registrant (include ZIP Code):

**Boehringer Ingelheim Vetmedica, Inc.
2621 North Belt Highway
St. Joseph, Missouri 64506-2002**

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Reregistration eligibility Documents, EPA has reregistered the product listed above. This action is taken under the authority of section 4 (g)(2)(c) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Registration under this section does not eliminate the need for control reassessment of pesticides. EPA may require submission of data at anytime to maintain the registration of your product. With regards to labeling, you must make the labeling changes listed below.

1. Based upon the toxicological properties of this product and upon PR Notice 2000-3 (Released for Public Comment 4/11/00), the header "Statement of Practical Treatment" should be replaced with the header "First Aid." The First Aid statements should be revised to read as follows:

"IF SWALLOWED:

Call a poison control center or doctor immediately for treatment advise. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING:

Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF IN EYES:

Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

For additional information in case of emergency call toll free (telephone number). Have the product container or label with you when calling a poison control center or doctor or going for treatment."

Signature of Approving Official:

M. Dow for E. LaBrecque

Date:

JUL 11 2000

Since this product is listed as having an acute inhalation toxicity of category IV, no treatment statements are required. If you wish to place additional treatment statements on the label, the statement should read as follows, per PR Notice 2000-3.

2/4

IF INHALED:

Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advise."

2. Your product is also required to have a "Note to Physician." The Note to Physician should be located directly below your "First Aid" statement and should contain the following information:

- Technical information on symptomatology;
- Use of supportive treatments to maintain life functions;
- Medicine that will counteract the specific physiological effects of the pesticide;
- Company telephone number to specific medical personnel who can provide specialized medical advice.

3. The header "Hazards to Humans" should be modified to read "Hazards to Humans and Domestic Animals." Replace the statement "Wash thoroughly with soap and water after handling" with the statement "Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet."

4. Under the header "Hazards to Humans and Domestic Animals" add the following statements:
"Personal Protective Equipment (PPE) (please use this format)

Handlers must wear:

Long sleeved shirt and pants

Shoes and socks

chemical resistant gloves

USER SAFETY REQUIREMENTS

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PE separately from other laundry.

USER SAFETY RECOMMENDATIONS

Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

Statement of Practical Treatment

If swallowed - Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

If on skin - Wash with plenty of soap and water. Get medical attention.

If in eyes - Flush with plenty of water. Call a physician if irritation persists.

If inhaled - Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth to mouth. Get medical attention.

Precautionary Statements

Hazards to Humans

CAUTION

Harmful if swallowed, absorbed through skin or inhaled. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Avoid breathing dust. Wear long-sleeved shirt and pants; chemical resistant gloves; shoes and socks for protection when handling. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. This product may cause skin sensitization reactions in certain individuals.

Environmental Hazards

This pesticide is highly toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

EPA Reg. No. 4691-129

DSL 998F 9806
ACCEPTED
with COMMENTS
in EPA Letter Dated

JUL 11 2000

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.

4691-129

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into an insecticide for the following: (1) uses for domestic animals and pets, livestock and their man-made premises, terrestrial nonfood uses and for domestic indoor uses; (2) uses for which US EPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration; and (3) uses for experimental purposes that are in compliance with US EPA requirements.

Formulators using this product are responsible for obtaining EPA registration of their formulated product.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal. **Storage:** Store in a dry place in original container. **Container Disposal:** Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into mixing equipment. Then dispose of liner in a sanitary landfill or by incineration, if allowed by State and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner. **Pesticide Disposal:** Pesticide that cannot be used or chemically reprocessed should be disposed of at an approved waste disposal facility.

Warranty & Limitation of Damages

Seller warrants that this material conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use and Buyer assumes the risk of any use contrary to such directions. **Seller makes no other express or implied warranty, including any other express or implied warranty of Fitness or of Merchantability, and no agent or Seller is authorized to do so except in writing and with specific reference to this warranty. In no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.**
