U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:

4691-149

Date of Issuance:

JUL 23 1999

Term of Issuance: Unconditional

Name of Pesticide Product:

Technical Rabon Insecticide

NOTICE OF PESTICIDE:

☐ Registration☒ Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Boehringer Ingelheim Animal Health, Inc.

2621 North Belt Highway

St. Joseph, Missouri 64506-2002

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Reregistration Eligibility Documents, EPA has reregistered the product listed above. This action is taken under the authority of section 4 (g) (2) (c) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Registration under this section does not eliminate the need for control reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product. With regards to labeling, you must make the labeling changes listed below:

- 1) Please revise your "Hazards to Humans and Domestic Animals" to read the following:

CAUTION

Harmful if swallowed or absorbed through the skin. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Prolonged or frequent contact may cause allergic reaction in some individual. Wash thoroughly with soap and water after handling. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

Personal Protective Equipment (PPE) (please delete your "Protective Clothing" paragraph and use this format instead)

Handlers must wear:

Long sleeved shirt and pants

Shoes and socks

Mid forearm to elbow length chemical resistant gloves

Signature of Approving Official:

for George T. LaRocca
Maggie Lynn Keigwin

Date:

JUL 23 1999

USER SAFETY REQUIREMENTS

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

USER SAFETY RECOMMENDATIONS

Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

- 2) Please change your "Statement of Practical Treatment" to read the following:

IF SWALLOWED: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting or if available by administering syrup of ipecac. If person is unconscious, do not give anything by mouth and do not induce vomiting.

IF ON SKIN: Wash with plenty of soap and water. Get medical attention if irritation persists.

IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists.

Your product is also required to have a "Note to Physician". The Note to Physician should be located directly below your Statement of Practical Treatment and should contain the following information:

- Technical information on symptomatology;
- Use of supportive treatments to maintain life functions;
- Medicine that will counteract the specific physiological effects of the pesticide;
- Company telephone number to specific medical personnel who can provide specialized medical advice.

- 3) Please move your "Environmental Hazards" statement directly beneath your Precautionary Statements" (after your "User Safety Recommendations").

- 4) Please place your "Storage and Disposal" statements in a box to separate it from the other portions of your label.
- 5) We note that you have the old formulation paragraph under your Directions For Use. You may keep this language, or change it at your discretion per PR Notice 94-1. Please see PR Notice 94-1 for further details.
- 6) Please note that your sample labels listed in the technical bulletin must be updated to reflect the label changes required by the RED.
- 7) Enclosed is a copy of your label stamped "Accepted with Comments". Please submit two (2) copies of your final printed label before you release the product for shipment. Please refer to the A-79 enclosure for a further description of final printed labeling.

If you have any questions regarding this action, please contact me at (703) 305-6100 or Tracy Keigwin of my team at (703) 305-6605.

Sincerely,

George T. LaRocca

ENVIRONMENTAL HAZARDS

This product is highly toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL

Do not contaminate water, food and feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container.

Storage: Store in a dry place in original container. In case of spills, wash down with large amounts of water. Decontaminate areas and equipment by washing down with a dilute solution of alkali (less than 5%) and detergent and rinse with water.

Pesticide Disposal: Pesticide that cannot be used or chemically reprocessed should be disposed of at an approved waste disposal facility.

Container Disposal: Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residues into mixing equipment. Dispose of liner in a sanitary landfill or by incineration if allowed by state and local authorities. Dispose of container in the same manner.

WARRANTY AND LIMITATIONS OF DAMAGES

Seller warrants that this material conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use and Buyer assumes the risk of any use contrary to such directions. Seller makes no other express or implied warranty, including any other express or implies warranty of Fitness or of Merchantability, and no agent of Seller is authorized to do so except in writing and with specific reference to this warranty. In no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.

STATEMENT OF ACTUAL TREATMENT

If swallowed, drink one or two glasses of water and induce vomiting by touching the back of the throat with finger. Repeat until vomit fluid is clear. Call a physician immediately. Do not induce vomiting or give anything by mouth to an unconscious person. If inhaled, remove victim to fresh air. Apply respiration if necessary. If on skin, remove contaminated clothing and wash affected areas with soap and water. If in eyes, flush eyes for at least 15 minutes with water. Call a physician if irritation persist.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS

CAUTION: Harmful if swallowed or absorbed through skin. May cause eye irritation. Avoid breathing dust. Do not get into eyes, on skin or on clothing. Avoid prolonged contact with skin. Wash thoroughly with soap and water after handling and before eating and smoking. This product may cause skin sensitization reactions in certain individuals.

PROTECTIVE CLOTHING

When mixing/loading or otherwise handling the concentrate, wear mid forearm to elbow length chemical resistance gloves, long sleeve shirt and long pants. For medical emergencies involving this product, call toll free: 1-800-530-5432.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into an insecticide/larvicide:

1. For the following uses: [Terrestrial Nonfood Crop Use, Domestic Indoor & Outdoor Use] including formulation of oral larvicide (feed additive) for cattle (beef & dairy, including lactating), swine, horses and mink; for use on domestic animals, pets and for pet living quarters; for use on livestock and poultry and their man-made premises, including those outdoor; for use in insecticide ear tags; and for outdoor uses, including farmyards, recreation areas and campgrounds.

2. Uses for which U.S. EPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration.

3. Uses for experimental purposes that are in compliance with U.S. EPA requirements.

Refer to available Technical Data for formulating and other information.
