	100.00%

* Equivalent to 72% (butylcarbityl (6-propylpiperonyl) other and related compounds.)

CAUTION

Keep out of reach of children. See side panel for additional caution statements.

USDA Reg. No. 4704-5

DIRECTIONS

Apply as a fine, mist-type space spray with atomizer type sprayer. Avoid heavy spray that produces coarse droplets. Avoid food contamination and keep away from food surfaces and containers.

FLIES, MOSQUITOS, GNATS: Close all doors and windows where possible, then spray all parts of the room thoroughly. Use approximately 2 ounces of EHR- LICH'S INDUSTRIAL INSECTICIDE to each 100 cubic feet of space. Direct spray toward ceiling and upper areas of the building, concentrating on beams, rafters and other areas where flies congregate. Door and windows may be opened after 10 to 15 minutes. Treat daily or as required.

FLEAS: Spray floors, rugs, animals' sleeping quarters and other areas.

CLOTHES MOTHS: Spray inside surface of closets and other storage containers thoroughly, paying particular attention to cracks. Spray cleaned clothes and fabrics lightly, especially seams and folds. Repeat every two or three weeks, unless treated articles are packed in moth-tight containers.

For use on **DAIRY STOCK** and **BEEF CATTLE, HORSES, HOGS** and **SHEEP:** Apply a fine mist-type spray, using 1 to 2 ounces per head once or twice daily.

EHRlich's INDUSTRIAL INSECTICIDE is a specially formulated space-type fly spray containing Pyrethrum and Piperonyl-Butoxide. This formula is a contact insecticide that has fast knock-down and high-killing power. It can be used in the home as well as in restaurants, food processing plants, milk rooms and on dairy animals.

CAUTION

Avoid contact with skin. In case of skin contact wash with soap and water. Avoid breathing of spray mist. Do not use near open flame. Harmful if swallowed.

NOTICE

Seller makes no warranty of any kind express or implied, concerning the results of this product. Buyer assumes all risk of use or handling whether in accordance with directions or not. The buyer accepts and uses this material under these conditions.
