### CAUTION

KEEP OUT OF REACH OF CHILDREN

See side panel for additional CAUTION statements

NET CONTENTS      GALLONS

EHRlich's MAGIC CIRCLE MILL INSECTICIDE with DDVP is a specially formulated space type spray containing Pyrethrins and Piperonyl-Butoxide. This formula is a contact insecticide that has fast knockdown. For additional killing power and penetrating ability, Dichlorovinyl dimethyl phosphate (DDVP) has been added. It has been designed for use in mills, industrial plants and food processing plants; but it can be effectively and economically utilized in restaurants and milk rooms.

### CAUTION

Do not contaminate or store near food or food-stuffs. Do not use near open flame. Avoid contact with skin. Avoid breathing of spray mist. Harmful if swallowed, inhaled, or absorbed through skin. Wash hands after handling and before eating or smoking.

Remove pets, birds, and cover fish aquariums before spraying. Do not remain in treated areas. Ventilate the area after treatment was completed.

Do not allow children in treated areas until surfaces are dry. Do not apply to areas which will be frequently contacted by children and pets.

Do not reuse empty container. Wash thoroughly with water and detergent. Discard in a safe place.

Do not reuse empty drum. Return to drum conditioner or destroy by perforating or crushing and burying in a safe place away from water supplies.

### NOTICE

Seller's guarantee shall be limited to the terms of the label, and subject thereto the buyer assumes any risk to persons or property arising out of use or handling and accepts the product on these conditions.
