Mr. James P. Sickora
J.C. Ehrlich Chemical Company
840 William Lane
Reading, PA 19612

Dear Mr. Sickora:

Subject: Magic Circle Household Insect Spray
EPA Registration No. 4704-21
Your Submission Dated December 12, 1985

This draft labeling is being accepted with the provision that you make the following changes before you release the product for shipment bearing your next final printed labels.

1. Revise the Environmental Hazards statement to read as follows:

This product is toxic to fish, birds, and other wildlife. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on the label.

2. Please alert printer as to the proper type size of the signal word.
3. The words Active Ingredients and Inert Ingredients must be aligned to the same margin.

Sincerely yours,

Jay S. Ellenberger
Product Manager (12)

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, this product is registered under EPA Reg. No. 4764-21

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS: CAUTION- May be harmful if swallowed, inhaled or absorbed through the skin. Avoid contact with eyes, skin and clothing. Avoid breathing spray mist. Provide adequate ventilation. Keep away from food, feed and domestic water supplies. Wash thoroughly after handling. Do not allow children or pets to contact treated surfaces until spray has dried. Do not apply as a space spray or as a plant spray. Apply only as a surface spray as specified on this label. Remove pets and cover fish bowls before application. Do not apply to pets.

ENVIRONMENTAL HAZARDS: Do not contaminate water by cleaning of equipment or disposal of waste. Do not apply directly to water.

PHYSICAL OR CHEMICAL HAZARDS: FLAMMABLE - Do not use, pour or store near heat or open flame.

MAGIC CIRCLE HOUSEHOLD INSECT SPRAY is a highly effective formulation which provides rapid kill of such crawling insects as listed below, including those resistant to certain chlorinated hydrocarbon and phosphate insecticides.....Ants, Brown Dog Ticks, Clover Mites, Earwigs, Fleas, Millipedes, Roaches, Scorpions, and Grain Beetles (exposed stage), Silverfish, Sowbugs and the following flying insects: Flies, Hornets, Mosquitoes, Wasps. In addition to rapid kill, **MAGIC CIRCLE HOUSEHOLD INSECT SPRAY** stays on treated surfaces and kills insects many weeks after the spray deposit has dried.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labelling.

MAGIC CIRCLE HOUSEHOLD INSECT SPRAY is ready-to-use, undiluted, as it comes from the can, and may be applied with either power operated or hand sprayers. Apply as a coarse spray to infested surfaces until wet, moving the spray stream rapidly enough to prevent excessive wetting of surfaces and waste of material. Direct spray away from people, plants, and pets.

RESTRICTIONS: Do not apply to rugs, carpets, draperies, wallpaper, or similar materials that may be stained. Avoid excessive wetting of plastic, rubber and asphalt surfaces such as tiles and floor coverings. Do not allow the small, finger-operated, plastic attachment type sprayer to remain in the spray solution for extended periods as the plastic sprayer may be damaged.
