MANUFACTURED BY:

J. C. EHRlich CHEMICAL CO., INC.
800 HIESTERS LANE
READING, PA. 19605

EPA Reg. No. 4704-39

Net Weight _____ lbs.

APPLICATIONS:

Roaches & Silverfish - Apply in areas inaccessible to children and pets, where roaches and silverfish hide, such as under and behind cabinets, refrigerators, sinks, and around door, windows and truck cases. Use a rubber bulb or plastic syringe dispenser.

Ants & Silverfish - Apply thoroughly in areas inaccessible to children and pets, under and behind cabinets, refrigerators, sinks, and around door, windows and truck cases.

Spiders - Apply around windows, doors and along baseboard. Use spot applications also.

APPLICATIONS WITHIN FOOD AREAS OF FOOD HANDLING ESTABLISHMENTS

Limited to Crack and Crevice Treatment Only - Apply a small amount of material directly into cracks and crevices such as expansion joints between different elements of construction or between equipment bases and the floor, wall voids, motor housing, junction boxes or switch boxes, conduits or hollow equipment legs where roaches and silverfish hide. Care should be taken to avoid depositing the product onto exposed surfaces or introducing the material into the air. Avoid contamination of food or food processing surfaces.

Applications of this product in the food areas of food handling establishments, other than as a crack and crevice treatment, are not permitted.

CAUTION:

Avoid inhalation.

Harmful if swallowed. Avoid skin contact; wash after handling.

Dust should be applied only to areas inaccessible to children and pets.

Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed except as indicated above.

This product is toxic to fish. Keep out of lakes, streams, or ponds.

Do not reuse container. Destroy when empty.
