

**DIRECTIONS FOR USE**  
Observe caution statements before using.

**NOTE:** Do not use utensils used for food to measure this product.

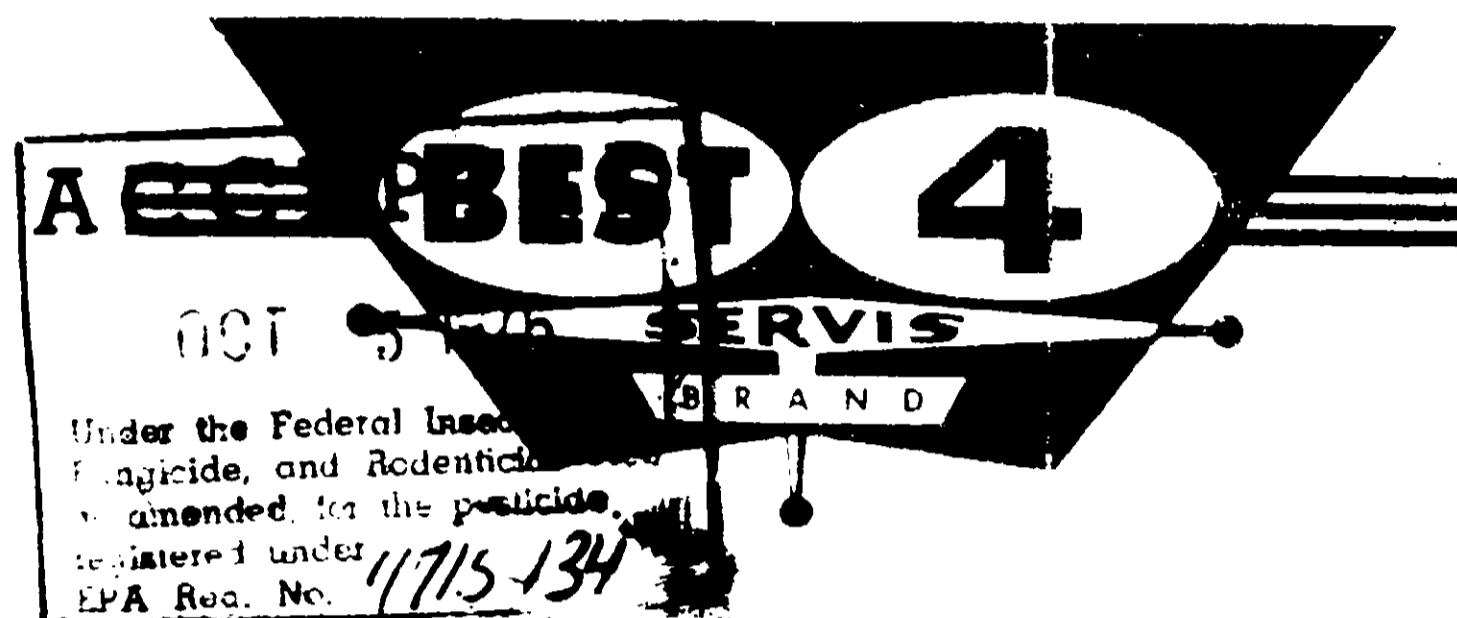

Do not use this product in conduits, motor housings, and electrical switch boxes.

**TERMITES (Subterranean) — Directions for Non-professional Use:** The object is to establish a treated soil barrier which will prevent termite entry. Other critical areas may also require treatment. It is suggested that you consult the State Extension Service for advice before treatment.

**Dilution for a 1% water solution:** 2½ oz. per gallon of water, or, 1 quart to 12 gallons of water.

**Buildings having basements or crawl spaces:** Dig a trench along the outside of the foundation walls. In brick or hollow block or concrete foundations, dig a trench to, **but not below**, the footings. Then, as the trench is refilled, treat the soil in the fill at the rate of 2 gals. per 5 linear ft. for each foot of depth, or, 4 gals. per 5 linear ft. when the trenches are deeper than 18 inches. A 3-ft. deep trench would require 12 gals. of solution per 10 linear ft. of foundation.

Apply 1 gal. per 10 sq. ft. as an overall treatment under attached porches. Thoroughly treat any wood coming in contact with soil. Replace damaged wood and treat new wood by painting surfaces with the same solution.

**45% CHLORDANE  
SPRAY**

**EMULSIFIABLE SPRAY FOR TERMITES**

Contains: 1 pound Technical Chlordane per quart

ACTIVE INGREDIENTS:	By Weight
Technical Chlordane*	45%
Aliphatic Petroleum Hydrocarbons . . . . .	45%
INERT INGREDIENTS: . . . . .	10%
Total . . . 100%	

\*Equivalent to 27% Octachloro-4, 7 methanotetrahydroindane and 18% related compounds.

**CAUTION: Keep out of Reach of Children**  
See side panels for complete warning statement.

NET CONTENTS:

**COLORADO INTERNATIONAL CORPORATION**  
Commerce City, Colorado 80022

**CAUTION:** Harmful if swallowed. Contact with cause toxic symptom. In case of contact with skin with soap and water. Avoid breathing spray mist contamination of feed and foodstuffs. Keep out of children and domestic animals.

**DO NOT USE, POUR, SPILL OR STORE NEAR OR OPEN FLAME.**

**ENVIRONMENTAL CAUTION:** This product is fish and wildlife. Keep out of any body of water apply where runoff is likely to occur. Do not apply weather conditions favor drift of spray from areas Do not contaminate water by cleaning of equipment disposal of wastes. Apply this product only as specified on this label.

This product is toxic to bees and should not be used when bees are actively visiting area.

**CONTAINER DISPOSAL:** Do not re-use empty container wrap smaller containers in newspaper and place in can for disposal; destroy larger containers by breaking crushing and bury in non-cropland away from water supplies.

**NOTICE:** Buyer assumes all risks of use, storage or of this material not in strict accordance with directions given herewith.
