

CAUTION: Harmful if swallowed. Avoid contact with skin, eyes, or clothing.

Although M.C.P. Amine Weed Killer is non-volatile, care must be used to prevent spray drift from ~~rain~~ coming into direct contact with vegetables, flowers, grapes, fruit trees, ornamentals, cotton, or other desirable plants sensitive to 2,4-D. Coarse sprays are less likely to drift. Do not contaminate irrigation ditches or water used for domestic purposes. Do not use the same spray equipment ~~as~~ for applying other materials to plants, as injury will result. Do not store near fertilizers, seed, insecticides or fungicides.

This product is toxic to fish. Keep out of lakes, ponds and streams. Do not apply to any area not specified on the label.

Rinse equipment and containers and dispose of wastes by burying in non-crop lands away from water supplies. Containers should be disposed by punching holes in them and burying with wastes.

NOTICE: Seller warrants that this product conforms to the ingredient statement on the label. Since conditions of use, such as weather, compatibility with other chemicals and condition of application equipment will vary, Seller makes no claims other than those stated on this label.
