

**BEST 4**

**SERVIS BRAND**

Read entire label. Follow directions carefully.

**GENERAL INFORMATION:** When used as directed this product will control many annual and perennial weeds in roadsides, pasture, turf and lawn areas. It is more effective when used on small actively growing weeds. Use low pressure equipment (40 lbs.) on turf. Garden-type pressure sprayers work well on spot spraying.

Double-check your equipment to be sure it is properly calibrated before using this material. Improper pump pressure, nozzle tip size or rusty equipment will result in poor weed kill. Use separate spray equipment for insecticides and fungicides. Under certain high temperature conditions, vapors from this product will injure nearby susceptible plants. Apply when temperatures range from 70-90°F. Coarse sprays are less likely to drift.

**DIRECTIONS FOR USE**

Use 5-20 gallons of water per acre for uniform spraying. Do not apply if rain is expected within the hour.

**SUSCEPTIBLE WEEDS (Use lower dosage rate):**

- |               |                    |
|---------------|--------------------|
| Arrowhead     | Morning Glory      |
| Buckhorn      | Pigweed            |
| Cocklebur     | Pigweed            |
| Blackberry    | Ragweed            |
| Duck          | Sunflower          |
| Knotweed      | Wild Carrot        |
| Lambsquarters | Wild Radish        |
| Mustard       | Wild Sweet William |

**HARD-TO-KILL WEEDS (Use higher dosage rate):**

- |                |              |
|----------------|--------------|
| Bindweed       | Locoweed     |
| Buckbrush      | Milkweed     |
| Buckwheat      | Poison Ivy   |
| Canada Thistle | Shrub Spurge |
| Hoary Cress    | Wild Onion   |
| Horse Nettle   | Willie       |

**HARD-TO-KILL WEEDS:** For perennial weeds such as **Sow Thistle** and **Russian Knapweed** (see list) and a range of tenacious viney and climbing roadsides. Use 4-6 qts. in 20 gallons of water with 10-16 oz. surfactant and thoroughly wet weed foliage. Treat in Spring and again at bloom time before weeds go to seed. Repeat the following year. **NOTE:** Do not spray drift.

ACCEPTED

JUL 18 1975

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 4715-304

**SURE DANDELION and WEED KILLER**

Contains: 2 lbs. 2,4-D Acid per gallon

ACTIVE INGREDIENTS	By Weight
Dimethylamine Salt of 2,4-Dichlorophenoxyacetic Acid	24.0%
INERT INGREDIENTS	76.0%
Total 100.0%	

42,4-Dichlorophenoxyacetic Acid equivalent 20.5%

**CAUTION: KEEP OUT OF REACH OF CHILDREN**

See side panels for complete caution statement

NET CONTENTS:  1  5  30  55 GALLONS

**COLORADO INTERNATIONAL CORPORATION**  
Commerce City, Colorado 80022

**TURF:** Use 4-6 pts. in 10 gallons water per acre. Apply early in Summer when plants are actively growing. Treat again in bud stage before weeds go to seed. **NOTE:** Remove cows from dairy pastures during spray application and do not graze treated areas for 7 days.

**LAWNS:** Use 3 Tbsp. per gal. for each 1,000 sq. ft. Repeat as needed for control. **NOTE:** Do not spray on lawns until after first cutting. Do not use on Bentgrass, St. Augustine Grass, Dichondra, or Carpetgrass lawns.

**CAUTION:** Harmful if swallowed. Avoid contact with skin, eyes, or clothing. In case of contact, wash with soap and water. Avoid inhalation of spray mist. Avoid contamination of feed and foodstuffs. Do not store near seed, feed, insecticides, fungicides or fertilizers. Keep out of reach of children and domestic animals.

**DO NOT USE POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME**

**ENVIRONMENTAL CAUTION:** Keep out of any body of water. Do not empty containers by cleaning of equipment or disposal of wastes. Rinse equipment and dispose of wastes by burning in non-cropland area from water supplies. Do not apply when weather conditions favor drift to sensitive areas. Avoid spray drift to susceptible plants as this product may injure cotton, beans, peas, grapes, ornamentals, etc. Do not apply when a windoff is likely to occur. Apply this product only as specified on this label.

**CONTAINER DISPOSAL:** Empty reuse empty containers: wrap smaller containers in newspaper and place in trash can for disposal; dispose of large containers by perforating and crushing and dispose with wastes.

**NOTICE:** Seller warrants that this product conforms to the ingredients statement on the label. Since conditions of use such as growth, soil fertility, and other chemical and conditions of application equipment will vary, Seller assumes no liability other than those stated on this label.
