COLORADO CHEMICAL COMPANY

1000 W. 10th Street, Fort Collins, CO 80521

### Chemical and Physical Properties

- Content of active ingredient: 80%
- Appearance: white powder
- Odor: slight specific odor
- Bulk density: 0.92 - 0.98 g/l
- Fineness: 99% less than 44 microns
- Moisture content: 1% maximum
- Acidity/alkalinity: shall not be greater than 0.5%, calculated as H<sub>2</sub>SO<sub>4</sub>, nor greater than 0.5% calculated as NaOH
- Flammability: non flammable
- Volatility: non volatile
- Stability: stable at ambient temperatures under dry conditions; stable when stored under dry and cool conditions.
- Formulations, instructions and specimen labels available upon request.

Note: Further data may be necessary to support registration if the specimen labels are not closely followed.

**ENVIRONMENTAL CAUTION:** This product is toxic to fish, birds, and other wildlife. Keep out of any body of water. Do not contaminate water by cleaning of equipment or disposal of wastes.

**CONTAINER DISPOSAL:** Do not reuse empty containers. Destroy by burying with container well away from water and away from buildings. Keep away from children and pets.

**NOTICE:** This is a restricted use pesticide. See the label for the registered uses and restrictions. Do not use for any other purpose.
