# HOLIDAY OINTMENT

REPELS BITING FLIES

DISPOSAL

Do not reuse empty container. Wrap container and put in trash collection.

## DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

To kill ticks, spread a light film on ears and between toes. Make sure ointment makes contact with ticks. Use before dogs enter tick infested areas. Spread lightly on tips and edges of ears to aid in repelling biting flies, houseflies, and mosquitoes from these areas of the animal's body. Repeat every 3 days, if needed. Do not use on puppies or kittens under 12 weeks. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals, or animals on medication.
