Deodorant
PET SOAP
FOR DOGS AND CATS

A high foaming Coconut Oil Soap with Hexachlorophene and mild, effective insecticides. Can be used on cats or dogs. Rinses clean for high gloss grooming. Kills Fleas. Beautifies, deodorizes and cleans fur and skin.

DIRECTIONS: Wet animal and rub with soap. Work up good lather all over including the legs and feet. Allow to stand for a minute or two to allow flea-killing ingredients to work. Rinse with plain water. Allow to dry naturally or wipe dry with cloth or towel.

NOTE: Medicated soaps containing Hexachlorophene may become darker where exposed to light. The discolorations on the surface are not a sign of spoilage but an excellent indication test for Hexachlorophene soap.

ACTIVE INGREDIENTS: 2,2-methylenebis (3,4,6-trichlorophenol) (Hexachlorophene) 1.00%; Technical piperonyl butoxide* 0.50%; Pyrethrins 0.05%

INERT INGREDIENTS: 98.45%.

*Equivalent to .40% of (butylcarbityl) (6-propylpiperonyl) ether and .1% related compounds.
