As new labels are prepared, delete the claims-DOUBLE STRENGTH and-Contains twice as Much Deet xxx As Most Aerosol Insect Repellents. These statements are no longer acceptable as described in PR Notice 91-7.

For Reg. 4758-78, add FLAMMABLE to the PHYSICAL AND CHEMICAL HAZARD section based on the reported flame extension for the formulation.

Although we prefer inclusion, you may delete the one sentence-If you go to a doctor, take this repellent with you. It is not necessary to file an amendment to delete this one sentence.
