### KILLS FAST

**DIRECTIONS:** Use at least one canister for each 5,000 cubic feet of unobstructed area. Use additional units for remote rooms or where free flow of mist is not assured.

Place on table or stand for best results. Place newspapers under canister to prevent marring surfaces. Close doors and windows. Remove pets. Cover fish tanks or bowls with paper or remove. Foods should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. When using the product in these areas, apply only when the facility is not in operation. Open cabinets and doors to areas to be treated. Shut off fans and air conditioners. Put out all open flames except pilot lights. Place at least 6 feet away from pilot lights. Keep at arm's length when releasing. Point top of canister away from face and eyes.

Start fogging by snapping hook end of metal plate on nozzle down over the upper rim of can. Set in upright position and leave the building at once. Leave undisturbed for 2 hours. Open doors and windows and allow to air for 30 minutes. Do not remain in treated areas. Ventilate the area after treatment is completed.

**WARNING:** Flammable. Do not use near fire or open flame. Contents under pressure. DO NOT PUNCTURE OR INCINERATE. DO NOT STORE AT TEMPERATURES IN EXCESS OF 130 DEG. F. Avoid contact with skin and eyes. Wash hands after using. Keep out of reach of children. Avoid contamination of feed and foodstuffs. Insecticides may soften some asphalt tile floors. If used directly over asphalt tile, newspapers should be spread on the floor for several feet around area of release. Do not use with freshly waxed floors. Allow 3 weeks for wax to harden as this product may cause fresh wax to become softened.

**ACTIVE INGREDIENTS:** Petroleum distillates, 10.5%; Technical Piperonyl Butoxide\*, 4.00%; Pyrethrins, .050%.

**INERT INGREDIENTS:** 85.00%. Trichloromonofluoromethane, Dichlorodifluoromethane.

\*Equivalent to 3.20% of (butylcarbityl) (6-propylpiperonyl) ether and .80% related compounds.

EPA EST. No. 4758-FI-1
