Pet Chemicals
P.O. Box 18993
Memphis, TN 38181-0993

Gentlemen:

Subject: Holiday Concentrated Shampoo for Dogs & Cats
EPA Registration No. 4758-134
Your Application Dated April 17, 1991

The proposed amendment to the registration of the product cited above changing the declaration of lanolin, triethanolamine lauryl sulphate, diethanolamide of lauric and myristic acids, and polyoxyethylene sorbitan monooleate from active to inert; adding a statement of practical treatment and making other labeling changes is acceptable subject to the comments listed below. A stamped copy of the label is enclosed for your records.

1. Based on data submitted by Pet Chemicals the signal word must be changed from Caution to Warning.
2. Add the statement "Causes eye irritation" to the precautionary labeling.
3. Add the statement "Get medical attention if irritation persists" to the statement of practical treatment for eyes.
4. Change the statement "Do not contaminate water by cleaning of equipment or disposal of wastes" to read "Do not contaminate water when disposing of equipment wastewater."
5. The company of record for this product is Pet Chemicals not Speer Products as shown on the label.

PRECAUTIONARY STATEMENTS

CAUTION

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Harmful if swallowed. Avoid contact with skin, eyes, or clothing. In case of contact immediately wash eyes or skin with plenty of water. Get medical attention if irritation persists.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Keep out of lakes, ponds, or streams. Do not contaminate water by cleaning of equipment or disposal of wastes.

PHYSICAL HAZARDS

Do not use or store near heat or open flame.

STATEMENTS OF PRACTICAL TREATMENT

If Swallowed- Call a physician immediately. Gastric lavage is indicated if material was taken into stomach. DO NOT INDUCE VOMITING. Vomiting may cause aspiration pneumonia.

If on skin- Wash contaminated skin with soap and water.

If in eyes- Flush eyes with plenty of water.

HOLIDAY FLEA SHAMPOO is an insecticidal shampoo in concentrated form for use on dogs and cats. Contains synergized natural pyrethrin ingredient to kill fleas. Special silicones are included in a non-alkali formula to provide superior grooming properties. Tangles brush out easily and dries to a higher gloss.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Wet dog or cat with warm water and apply small amount of shampoo along the back of the neck. Work well into coat, starting at head and working back. Be sure to include feet and legs. When of desired consistency, continue to work into coat for 10 minutes to kill fleas. Rinse thoroughly with warm water. May be diluted up to 1:6 if desired.

CAUTION

When washing cats, kittens or puppies, dry immediately with cloth after rinsing to prevent chilling. Do not use on kittens or puppies under 4 weeks of age. Avoid getting shampoo in animal's eyes.

STORAGE AND DISPOSAL

Storage: Store in a cool dry area away from heat or open flame.

Disposal: Do not reuse empty container. Wrap container and put in trash collection.
