DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

DO NOT USE THIS PRODUCT AS A BROADCAST TREATMENT INDOORS. INDOOR USES ARE LIMITED TO SPOT TREATMENT AND/OR CRACK AND CREVICE APPLICATIONS ONLY.

DO NOT SPRAY PETS DIRECTLY WITH THIS PRODUCT. Use Holiday Flea & Tick Killer as a spot treatment to help control fleas and ticks on animal bedding and resting places. Apply as a fine mist to localized areas where pests may occur. Spot spray surfaces thoroughly. Retreat as needed.

FLEAS AND BROWN DOG TICKS INDOORS: To control these pests spot treat using a fine mist to infested areas such as pet bedding and resting quarters, near cracks and crevices, along and behind baseboards, window and door frames and localized areas of floor and floor coverings where these pests may be present. Old bedding of pets should be removed and replaced with clean, fresh bedding after treatment of pet areas. Do not allow pets in treatment area until the areas treated have dried. Treat pets with Holiday Odorfree Flea & Tick Concentrate or Holiday Tick & Flea Spray to control the source of the flea infestation.

FLEAS AND BROWN DOG TICKS OUTDOORS: For treatment of localized infestation of these insects in outdoor areas where there are weeds or brush non-crop areas. Spray infested areas thoroughly. Repeat applications as infestation warrants and as reinfestation occurs.

ACCEPTED
APR 22 1998
Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 4758-135

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC

ANIMALS

CAUTION: Avoid contact with eyes, skin, and clothing. Avoid breathing vapors or spray mist. Keep away from food, feedstuffs and domestic water supplies. Wash thoroughly after handling.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not give anything by mouth to an unconscious person. Get medical attention.

IF ON SKIN: In case of contact, remove contaminated clothing and immediately wash skin with plenty of soap and water.

IF IN EYES: Flush eyes with plenty of water.

NOTE TO PHYSICIAN: Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine only by injection is an antidote.

PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame. Do not store below 32° F.

ENVIRONMENTAL HAZARDS

This product is highly toxic to bees exposed to direct treatment or residues on plants. Protective information may be obtained from your Cooperative Agricultural Extension Service.

Holiday Flea & Tick Killer is toxic to fish, birds, and other wildlife. Keep out of lakes, streams, ponds, tidal marshes, and estuaries. Shrimp and crab may be killed at application rates recommended on this label. Do not apply where these are important resources. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes.
