Do not use directly over animal or human.

**PHYSICAL OR CHEMICAL HAZARDS
DANGER POISON**

Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130° F may cause bursting. Never throw container into fire or incinerator.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Do not reuse empty container. Wash container and put in trash collector.

VAPONA PLUS is a highly effective new agent for flea control on dogs and cats. VAPONA PLUS works by interrupting the insect's life cycle at the pupal stage, preventing emergence of adult fleas. One easy application prevents adult emergence in household hatching sites for more than 14 days. Vaponat is a registered product of Shell Chemical Co.
