**NET WEIGHT 6 OZ. (170 GMS.)**  
EPA Reg. No. 4758-139

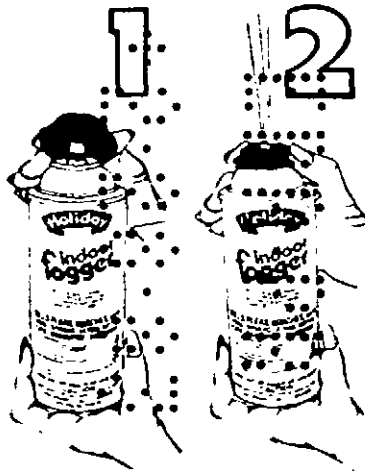

**OPERATING INSTRUCTIONS**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. To eliminate roaches, fleas, ticks, ants, spiders, flying moths, flies, mosquitoes, silverfish, follow these easy directions:

1. Remove the red Fog Lock Activator Cap then remove the white plastic cap. Place red Fog Lock Activator Cap with top hole resting on nozzle as shown.

When the red Fog Lock Activator Caps pressed down the vapor will be automatically released straight up from the top of the nozzle as shown in Figure 2. Be sure to hold can so that nozzle points away from your face and eyes.

2. Hold at arm's length away from face and snap red Fog Lock Activator Cap over outside of upper rim of can as shown. Entire contents of can will automatically be released over a period of several minutes. Set can in upright position and leave the building at once. Leave undisturbed for two hours. Upon re-entry open doors and windows and allow to air for 1 hour.
