Holiday Flea & Tick Dip Concentrate offers optimum effectiveness in the control of fleas and ticks on dogs, cats, puppies and kittens over 1 month old. Unique formula conditions the coat, leaving it shiny and soft and eliminates unpleasant pet odor, leaving in its place a pleasant citrus fragrance.

To kill fleas and ticks on dogs, cats, puppies & kittens over 1 month old: Mix 4 oz. (8 tablespoons) to 1 gallon of water or 1 oz. (2 tablespoons) to a quart of water. Mix well. Sponge on, dip or sprinkle on animal until coat and hair are thoroughly wet. Rub well into fur, between toes and on ears. For best lasting effect, up to 7 days, do not rinse but allow to dry naturally. May be used as often as needed.

Holiday Flea & Tick Dip Concentrate may be used in conjunction with organo-phosphate and carbamate based insecticides.
