ZONE CONTROL

To prevent reoccurrence of fleas, a total management program is recommended. You should treat the areas where fleas live with the HOLIDAY® 4-Step Program which consists of: Step 1 - Shampoo/Dip the Pet; Step 2 - Treat the Home and Yard; Step 3 - Flea and Tick Collars on the Pet; Step 4 - Maintenance Sprays and Powders. Ask your pet care professional for specific recommendations on how to best control fleas for the comfort and well being of your pet and family.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
WARNING**

DO NOT USE FULL STRENGTH. MIX WITH WATER AS DIRECTED.

Flea dip concentrates may harm animals when used at greater strength than specified on the label.

May cause eye injury. Do not get in eyes, or on clothing. Wear eye protection when mixing concentrate with water. Applicators of flea and dip products are to use protective gloves to reduce the risk of dermal irritation or dermal sensitization. Harmful if swallowed. Wash thoroughly with soap and water after handling.

Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals, or animals on medication. Do not use on puppies or kittens under 12 weeks of age. Young animals should be towel dried immediately after treatment to prevent chilling. Do not repeat treatment for one week.

Sensitivities may occur after using ANY pesticide product for pets. Individual animals may exhibit one or more of the following symptoms: hypothermia, tremors, ataxia, excess salivation, agitation and vocalization followed by lethargic behavior, skin and eye irritation in varying degrees. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

Page 182

	<ul style="list-style-type: none"> Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.
IF IN EYES	<ul style="list-style-type: none"> Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
IF ON SKIN OR CLOTHING	<ul style="list-style-type: none"> Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
HOT LINE NUMBER	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-877-757-4943 for emergency medical treatment information.	

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

TO KILL FLEAS AND TICKS ON dogs, cats, puppies, and kittens. Do not use on puppies or kittens under 12 weeks of age.

Mix 1 1/2 oz. (3 tablespoons) to 1 gallon of water or 2 teaspoons to 1 quart of water.

DO NOT USE FULL STRENGTH, DILUTE AS DIRECTED.

May be used in conjunction with organophosphate and carbamate based insecticides. Does not inhibit acetylcholinesterase activity.

Mix well. Wet animal with water first. Sponge or sprinkle on animal until coat is thoroughly wet. Rub well into fur, between toes and on ears. Avoid eye, scrotal, and anal areas. For best results do not rinse but allow to dry naturally. Citrus ingredient conditions the coat, leaving it shiny and soft, and eliminates unpleasant pet odor, leaving in its place a pleasant citrus fragrance.

PHYSICAL OR CHEMICAL HAZARDS

- Do not use or store near heat or open flame.

ENVIRONMENTAL HAZARDS

Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high-water mark. Do not contaminate water when disposing of equipment washwater or rinsate.

STORAGE AND DISPOSAL

Storage: Do not use or store near heat or open flame. Do not contaminate food or water by storage.

Disposal: If empty: Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

In case of emergency or for product use information, please call 901/362-1950 Monday thru Friday 7:30 to 4:30 CST. [For Distributor labels phone number and hours of operation will vary]
