Pest Control Products F-Q-S Crack & Crevice Spray is designed for use in cracks and crevices or surfaces where insects may hide or through which they may enter. Pest Control Products F-Q-S Crack & Crevice Spray is compatible with the B & G derosol dispensing unit. See the specific directions below for target insects.

Crawling Insects: Cockroaches, waterbugs, palmetto bugs, silverfish, beetles, centipedes, earwigs, firebrats, millipedes, spiders, pillbugs, sowbugs. Apply small amounts directly into crevices, using equipment capable of delivering a pin stream of insecticide in points between different construction elements, between equipment and floors, openings leading to voids or hollow spaces in walls, equipment legs and bases, in conduits, motor housings, junction or switch boxes. Prior to application allow time for oil to evaporate before starting motors or placing switches in "ON" position. Care should be taken to avoid depositing the product onto exposed surfaces or introducing the material into the air. Avoid contamination of feod or food processing surfaces.

Ticks, Fleas, Bedbugs and Carpet Beetles: Spray cracks and crevices in baseboards, door frames, window frames or such places where above insects may hide. Moldings and all cracks and crevices in the room should also be treated. For control in kennels or outdoor dog houses. Remove animals during treatment and allow to dry before re-entry.

Ants: Spray into points of entry around doors, baseboards, windows or structural cracks and crevices.

Stored Product Insects: Treat infested areas such as crack and crevices between elements of construction, equipment junctions, cabinets or openings to wolds. "Invoid: contamination of food or food promography surfaces."

Wood-Destroying Insects: For localized control of carpenter ants, carpenter bees, termites and powder-post beetles: pocate the source of intestation and spray into Yunnels; holes and cavities.

KEEP OUT OF REACH OF CHILDREN CAUTION Read additional cautions on back

Net Wt. 20 oz. (567.0 gm.) EPA Reg. No. 4758FOOD HANDLING ESTABLISHMENTS - Places other than private residences in which food is held, processed, prepared or served.

FOOD AREAS - Includes areas for receiving, storage, packing (canning, bottling, wrapping, boxing) preparing, edible waste storage and enclosed processing systems (mills, dairies, edible oils, syrups) and serving areas (when food is exposed and facility is in operation).

SERVING AREAS - Facilities where foods are served such as dining rooms, but excluding areas where foods may be prepared or held, apply as spot treatment to selective surfaces, such as baseboards, under elements or construction and into cracks and crevices. Avoid treating surfaces likely to be contacted by food. (Do not apply when facility is in operation or foods are exposed.)

NON-FOOD AREAS - Including garbage rooms, lavatories, floor drains (to sewers), entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage (after canning or bottling). Apply to baseboard areas, around water pipes. Surfaces behind and beneath sinks, lockers, tables, pallets and similar areas where insects hide or through which they may enter. Repeat treatment as required. For control of fleas and brown dog ticks in kennels or outdoor dog houses. Spray all floor surfaces, cracks and crevices no higher than twelve inches.

STORAGE AND DISPOSAL Do not contaminate water, food or feed by storage or disposal. CONTAINER DISPOSAL: Do not reuse empty container. Wrap container and put in trash collection.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION. Harmful-if swallowed. Keep out of reach of children. Avoid contamination of foodstuffs. Avoid breathing of spray mist. Avoid skin contact. Wash thoroughly after using and before smoking or eating. Do not use on animals or humans. Remove pets, birds, and cover fish aqualiums before spraying. Do not smoke while using this product. Do not allow children or pets on treated areas until surfaces are dry.

PHYSICAL OR CHEMICAL HAZARDS. Contents under pressure. Do not use near fire, heated surfaces, sparks or flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Keep out of reach of children.

NOTE: Large drops of spray may soften some asphalt tile floors. Wipe floor with dry cloth, then with cloth moistened with water to prevent damage.

STATEMENT OF PRACTICAL TREATMENT

If swallowed - Call a physician or Poison Control Center immediately. Gastric lavage is indicated if material was taken internally. DO NOT INDUCE VOMITING. Vomiting may cause aspiration pneumonia.

If inhaled - Remove victim to fresh air. Apply artificial respiration if indicated.

If on skin - Remove contaminated clothing and wash affected areas with soap and water.

If in eyes - Flush eyes for at least 15 minutes with water. Call a physician immediately.

ENVIRONMENTAL HAZARDS. This product is toxic to fish, birds, and other wildlife. Keep out of lakes, streams or ponds. Do not contaminate water by disposal of waste. Apply this product only as indicated on this label.
