TERM OF ISSUANCE

NOTICE OF PESTICIDE: ☒ REGISTRATION  
☐ REREGISTRATION  
(Under the Federal Insecticide, Fungicide,  
and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT  
Hill's Holiday Flea Stop  
Pyrethrin Pump

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Pet Chemicals, Inc.  
7781 NW. 73rd Court  
Miami Springs, FL 33166

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment:

- a. Add the phrase "EPA Registration No. 4758-158."
- b. Submit a brief description of the manufacturing process.

c. [REDACTED]

- d. It is assumed that a refill size container will also be sold. The labeling for the refill container must be submitted if this is true. If not then the statement appearing in the storage and disposal section of the label regarding reuse of the container must be deleted.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

WARNING

May cause eye injury. Do not get in eyes. Avoid contact with skin or clothing. Harmful if swallowed or absorbed through skin. Wash thoroughly with soap and water after handling. While spraying on animal, do not get in animal's eyes. Do not use on puppies or kittens under 6 weeks of age. Use with care on nursing animals. Do not use on irritated skin. Discontinue use if irritation develops.

STATEMENT OF PRACTICAL TREATMENT:

- If swallowed - call a physician or Poison Control Center. Give one or two glasses of water and induce vomiting by touching back of throat with finger. Never give anything by mouth to an unconscious person. Contains ethyl alcohol.
- If on skin - remove contaminated clothing and wash before reuse. Wash affected areas thoroughly.
- If in eyes - flush eyes with plenty of water. Get medical attention.

PHYSICAL OR CHEMICAL HAZARDS

Flammable. Keep away from heat and open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Hold pump spray 4-6 inches from animal and direct spray into fur. Rub spray down into fur so that skin is treated and all insects are directly contacted. Be sure to include legs and feet. Spray animal until thoroughly wet but avoid run-off. Do not spray around eyes, on face or on genital area, to avoid irritation. Use spray in well ventilated areas. Do not use more often than once every two days on animal. If pet bedding is heavily flea infested, remove old bedding and replace with fresh; spray may be used to treat bedding.

STORAGE AND DISPOSAL

Storage: Do not use or store near heat or open flames.

Disposal: Do not reuse container except from refill size of the same product. Rinse thoroughly before discarding in trash. Securely wrap in original container in several layers of newspaper and discard in trash.
