PRECAUTIONARY STATEMENTS HAZARD TO HUMANS & DOMESTIC ANIMALS WARNING

May cause eye injury. Do not get in eyes. Avoid contact with skin or clothing. Harmful if swallowed or absorbed through skin. Wash thoroughly with soap and water after handling. While spraying on animal, do not get in animal's eyes. Do not use on puppies or kittens under 12 weeks of age. Do not use on irritated skin. Discontinue use if irritation develops. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

FIRST AID

IF IN EYES:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

IF SWALLOWED:

- Call poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by the poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-877-757-4943 for emergency medical treatment information.

ACCEPTED

MAY 1 2003

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 4758-158

4758-158

5/1/2003

1/2

PHYSICAL OR CHEMICAL HAZARDS

Flammable. Keep away from heat and open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Hold pump spray 4-6 inches from animal and direct spray into fur. Rub spray down into fur so that skin is treated and all insects are directly contacted. Be sure to include legs and feet. Spray on animal until thoroughly wet but avoid run-off. Do not spray around eyes, on face or on genital area, to avoid irritation. Use spray in well ventilated areas. Do not repeat treatment for two days on animal. If pet bedding is heavily flea infested, remove old bedding and replace with fresh; spray may be used to treat bedding. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals, or animals on medication.

STORAGE AND DISPOSAL

STORAGE: Do not use or store near heat or open flame.

DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
