DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Remove pets, birds and cover fish aquariums before spraying. Do not allow children or pets to contact surface until spray has dried.

KENNELS OR PET SLEEPING QUARTERS:

Apply thoroughly to infested areas such as pet beds and resting quarters, nearby cracks and crevices, along and behind baseboards, window and door sills, and localized areas of floor and floor covering where fleas, ticks and lice may be present. Old pet bedding should be removed and replaced with fresh bedding after treatment of pet areas. Do not spray surfaces where spotting, staining or discoloration would be objectionable.

HOUSEHOLD TREATMENT:

Thoroughly vacuum all carpeting, upholstered furniture, along baseboards, under furniture, and in closets. Seal vacuum bag and dispose of in trash outdoors. Mop hard surface floors. Using a smooth back-and forth motion, spray all floors and aforementioned areas thoroughly. Provide a good even treatment but do not soak the areas that you treat. Do not reapply product for two weeks.
DO NOT SPRAY PETS WITH THIS PRODUCT.

STORAGE AND DISPOSAL

STORAGE: Do not contaminate water, food, or feed by storage and disposal.

DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
