Washington, D.C. 20460

EPA Reg.  
Number:

4758-171

Date of Issuance:

NOV 18 1998

## NOTICE OF PESTICIDE:

X Registration

\_\_\_\_ Reregistration

(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

LINALOOL MOUSSE

Name and Address of Registrant (include ZIP Code):

Pet Chemicals

P.O.ox 18993

Memphis, TN 38181-0993

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Change the label by revising the EPA Registration Number to read, "EPA Reg. No. 4758-171".

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

## Precautionary Statements

### Hazards to Humans and Domestic Animals:

**Caution:** Harmful if absorbed through skin. Avoid contact with eyes, skin, or clothing. Wash thoroughly with soap and water after handling. Some individuals may be sensitive to insecticides.

Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

### First Aid

**If on Skin:** Wash thoroughly with soap and water. If irritation persists consult a physician.

**If adverse effects - difficulty breathing, prolonged salivation, or lethargy** are observed in the pet, bathe the pet with soap and warm water. If adverse effects persists, seek medical attention.

### Physical or Chemical Hazards

Contents under pressure. Do not puncture or incinerate container. Do not use or store near heat or open flame. Exposure to temperatures above 130° F may cause bursting.

## SHAKE WELL BEFORE USING

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Wearing rubber gloves while applying product is recommended.** For best results, wash pet with an insecticidal shampoo prior to application of Linalool Mousse. Rinse shampoo thoroughly from hair coat and towel dry to remove excess water.

Avoiding the pet's eyes and nose, hold the Linalool Mousse container upside down and dispense directly onto the pet by depressing the

383

EPH

11 2:38

dispensing valve to deliver the foam. **Linalool Mousse** can be dispensed into the hand and applied to the pet.

Apply **Linalool Mousse** to the pet's haircoat and massage into the hair until the foam disappears. Apply enough **Linalool Mousse** to thoroughly moisten, but not soak, the entire haircoat including legs, feet and tail. The amount of **Linalool Mousse** needed will vary according to pet size and thickness of haircoat.

Allow your pet to dry. Do not use a towel to dry your pet, this will remove some of the **Linalool Mousse**, thereby reducing the residual activity. If needed, use a blow dryer set on low to medium heat to shorten the drying time.

After application, wash hands thoroughly with soap and water.

Do not repeat treatment for 30 days. Do not treat dogs under 6 months of age with this product. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals, or animals on medication.

### **Storage and Disposal**

**Storage:** Do not store below 32° F. Avoid freezing to prevent container damage. If exposed to temperatures below 32° F, warm to room temperature and shake well before using.

**Pesticide Disposal:** Securely wrap original container in several layers of newspapers and discard in trash.

**Container Disposal:** Replace cap and discard container in trash. Do not incinerate or puncture.

In Case of an Emergency or for Product Use Information, call (901) 362-1950, Monday thru Friday, 7:30 a.m. - 4:30 p.m. (CST).
