Precautionary Statements

Hazards to Humans and Domestic Animals:

Caution: Harmful if absorbed through skin. Avoid contact with eyes, skin, or clothing. Wash thoroughly with soap and water after handling. Some individuals may be sensitive to insecticides.

Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

First Aid

If on Skin: Wash thoroughly with soap and water. If irritation persists consult a physician.

If adverse effects - difficulty breathing, prolonged salivation, or lethargy are observed in the pet, bathe the pet with soap and warm water. If adverse effects persists, seek medical attention.

Physical or Chemical Hazards

Contents under pressure. Do not puncture or incinerate container. Do not use or store near heat or open flame. Exposure to temperatures above 130° F may cause bursting.

SHAKE WELL BEFORE USING

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Wearing rubber gloves while applying product is recommended.

For best results, wash pet with an insecticidal shampoo prior to application of **Linalool Mousse**. Rinse shampoo thoroughly from hair coat and towel dry to remove excess water.

Avoiding the pet's eyes and nose, hold the **Linalool Mousse** container upside down and dispense directly onto the pet by depressing the

dispensing valve to deliver the foam. **Linalool Mousse** can be dispensed into the hand and applied to the pet.

Apply **Linalool Mousse** to the pet's haircoat and massage into the hair until the foam disappears. Apply enough **Linalool Mousse** to thoroughly moisten, but not soak, the entire haircoat including legs, feet and tail. The amount of **Linalool Mousse** needed will vary according to pet size and thickness of haircoat.

Allow your pet to dry. Do not use a towel to dry your pet, this will remove some of the **Linalool Mousse**, thereby reducing the residual activity. If needed, use a blow dryer set on low to medium heat to shorten the drying time.

After application, wash hands thoroughly with soap and water.

Do not repeat treatment for 30 days. Do not treat dogs under 6 months of age with this product. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals, or animals on medication.

Storage and Disposal

Storage: Do not store below 32° F. Avoid freezing to prevent container damage. If exposed to temperatures below 32° F, warm to room temperature and shake well before using.

Pesticide Disposal: Securely wrap original container in several layers of newspapers and discard in trash.

Container Disposal: Replace cap and discard container in trash. Do not incinerate or puncture.

In Case of an Emergency or for Product Use Information, call (901) 362-1950, Monday thru Friday, 7:30 a.m. - 4:30 p.m. (CST).
